**RE: Lowenbein v. Malen
12 CV 5444 (CBA) (VMS)**

Dear Magistrate Judge Scanlon:

I represent the plaintiff in the above referenced matter. In furtherance of my conversation with Chambers, I write to memorialize that yesterday the parties settled the matter. The docket reflects that the conference scheduled for Monday has already been adjourned. Therefore, I am filing this document as simply a notice of settlement and not a motion.

Thank you for the Court's attention to the foregoing.

Yours faithfully,

/s/

Adam J. Fishbein
